Thank you so much for passing this along to your members. I just met with a property owner this morning to have him sign an authorization after his property was taken over by a homeless encampment.

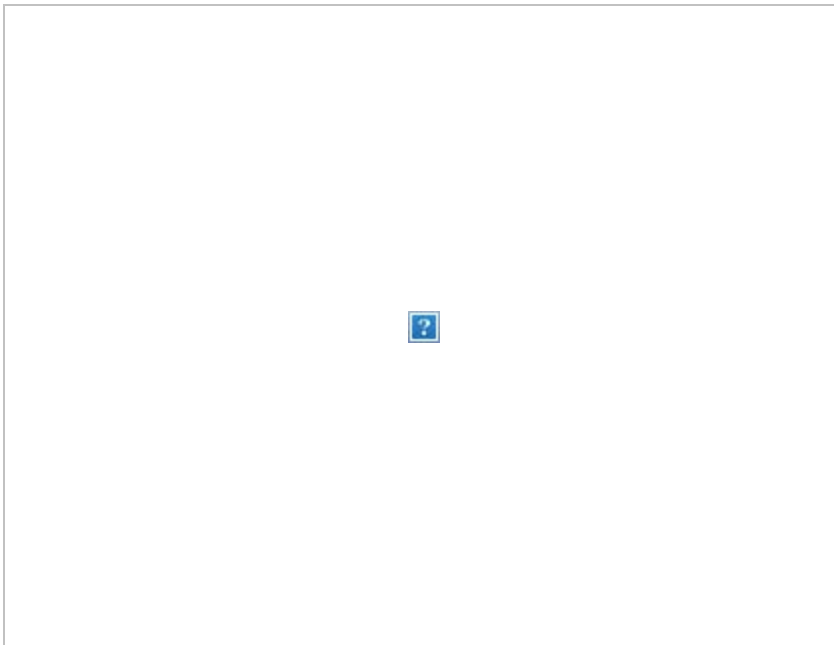

This is a great tool for LAPD and for business owners.

Saludos,
Vanessa

I have been registering my rental property with LAPD for quite a few years now.

Yes you can copy that as an example.

Dear EHBID Board Members and Friends:

Following our last EHBID Board meeting, it was requested that we circulate the attached form. The Trespass Authorization form will give the LAPD the permission it needs to arrest trespassers on private property, when the property owner is absent. Please see below e-mail from Officer Preciado for further information.

Warmest Regards,

Nicole Shahrenian

do you really need to print this out?

Subject: Trespass Authorization

Hi Nicole,
Attached you will find the Trespass Authorization Form that I spoke about at yesterday's meeting. Thank you for helping me pass it along to anyone who may be interested in completing it. It may be e-mailed directly back to me so I may print and file it.

Also, it helps to have No Trespassing signs posted on the property so that if an arrest is made the officers can say "there is a clearly posted sign at the front of the building entrance" (as an example). Unfortunately we don't provide those signs and each property owner would have to purchase them on their own.

Thank you again for your help, have a wonderful day!
Nina
